GENERAL SECRETARIAT
-8 MAY 1936

SIR,

I have the honour to state that Form (3) of Appendix I of the Motor Vehicles Taxes Rules (Register for checking payment of Taxes maintained in the Office of the Inspector General of Police) -- prescribed under Rule 20 thereof is at present intended to last for a year. In the case of the current year, it will be in use for only 6 months and from 1-7-1936 a new set of books has to be brought into use.

The changing of the register every year seems to me to be unnecessary; while having a book that will last for some years, is sure to lead, not only to a saving of labour but also, to better referencing. Instead of the great space taken up for name and address in the present form, spaces may be given for 16 quarters or 4 years as in the enclosed sample. It would be unnecessary to enter names of owners and possessors of vehicles as these names have in many cases to be changed now and then on account of transfers effected.

The advantage of having one book which will show at a glance the tax paid or not paid in respect of a vehicle for a period of 4 years is manifest and I would recommend that Government may be pleased to substitute the Form now sent by me for the one given as Form 3 in Appendix I.

As the posting of these books should begin by about the 20th June next and as they have to be printed either in the old

(2)

or new form and supplied by that date, I request the favour of early orders of Government.

I have the honour to be,
Sir,
Your most obedient servant,

INSPECTOR GENERAL OF POLICE.
